

## **New Ambassador Safe Start**

A calm, compliant beginning inside the Botanic Greenhouse

### **Welcome**

You do not need to rush, perform, or prove anything here. This guide exists to help you begin in a way that feels steady, ethical, and sustainable.

### **What Matters First**

- Learn before you share.
- Use the words we provide.
- Protect trust over speed.
- Ask questions early.

### **How to Talk About Products**

- Share your personal experience only.
- Avoid medical language or guarantees.
- Direct people to official product pages for details.

### **What Not to Say**

- Claims about curing, treating, or preventing conditions.
- Promises of income or results.
- Statements about legality in all states.

### **Your First Week**

- Read the Greenhouse Values.
- Choose one product to learn well. • Observe how others share.
- Save this guide and return to it.

### **Support & Boundaries**

Support is available Monday–Friday, 9 AM–4 PM. If you are unsure about language or compliance, pause and ask before posting.

This business is built to last. Slow, thoughtful starts are not a disadvantage here. They are the standard.
